PROFILE

I like to know more about this E-commerce industry as for me this industry is my passion where I want to be at any moment in my life for my betterment and for the organization I am working with.

I like to play games on Playstation or watch football matches as it takes all my stress out

EDUCATION

Intermediate In Commerce | For Men Government College, Karachi

Sep 2011 - Sep 2013

Matriculation | Little Star English Secondary School, Karachi

Jan 2009 - Aug 2011

EXPERIENCE

Product Listing Executive | Mind Aqua

Jun 2020 - Present

My Nature of work here is to Research Trendy and Fashionable products regarding Leather Jackets and after completing research upload them on the company's website in order to convert them into sales.

Note: I am doing it from home on my own flexible timings

Client Support Officer | Synergy Time, Karachi

May 2018 - Mar 2020

My Nature of Job there was:

1. Manage client store's customers support through Yandex.
2. Maintain the client's store costing sheet of the products through Amazon with the help of Amazon FBA (Fulfillment by Amazon) to manage inventory.
3. Maintain client store's through Shopify, WordPress & Magento.
4. Make client product posts through Canva and post them on Facebook & Instagram with some post content for the product.

Note: I have to manage All these different tasks in 8 hour Shift

Dispatch Executive | Daraz

Jan 2013 - Nov 2017

My Nature Of Job there was:

1. Make DRR's (Destination route for Riders) for delivering parcels all over Karachi
2. Manage all Shipping companies in order to pick all Pakistan Daraz Hub parcels
3. Sort All products for shipment throughout Pakistan hubs for Daraz and send them safely in hard and soft as well though Daraz main database software.
4. Check all Issues regarding Returns and damaged Parcels and submit them to the warehouse.
