

Vaneeza Ameer

Artist

Summary

Creative and hardworking Artist who is able to come up with a range of original ideas, theories and fascinations through various artistic mediums. Vaneeza comes to you with a long list of recognized qualifications and an ability to use clay, textiles, interior, murals, painting and other forms as expressive languages to create art for sales and exhibitions. She is keen to join a company that will be an ideal launch pad for her future ambitions. She wants to add colors to the life of pupils by painting their schools and create an engaging learning environment.
