## WORK EXPERIENCE

### Power BI Developer Viftech Solutions Pvt Ltd.

10/2020 - 07/2021

Karachi, Pakistan

#### Achievements/Tasks

- My Job responsibility was to lead a team of Power BI, Power Apps, Power Automate and Sharepoint developers, understand the client's requirements and get their projects done, timely and nicely.

### Digitization Expert Procter and Gamble

11/2019 - 01/2021

Karachi, Pakistan

#### Achievements/Tasks

- I worked as a third party (HRSG company) employee in this role. My focus was mainly on developing Power BI reports, Power BI dashboards, PowerApps, PowerAutomate and Sharepoint for different departments (e.g., Supply Chain, Manufacturing, Finance) to help digitize their daily manual internal processes.

### Project manager Procter and Gamble

02/2018 - 11/2019

Karachi, Pakistan

#### Achievements/Tasks

- I worked as a third party (Fulcrum Pvt Ltd) resource. My responsibility in this role was to ensure the deployment and adoption of two significant digitization projects at the company. Apart from that I also had to develop digitization solutions with O365 tools e.g Sharepoint, Power BI, Power Apps and Power Automate.
