About Me

Certified Professional Coder(CPC) working as Medical Coder at MTBC CareCloud for more than a year.

I have worked with some of the well known Coders and learned from their experience.

Certification

I have cleared my CPC exam in 2023 and achieved exceptional score

Education

PHARM-D

2017 - 2022 | HAMDARD UNIVERSITY ISLAMABAD

- Degree in Doctor of Pharmacy.

PRE-MEDICAL

2016 - 2017 | Punjab Group of College

- Cleared with first division.

Experience

✓ Radiology

- Radiology is the first practice where I begin my Coding career and have a sound knowledge of the practice.

✓ Pathology

- I worked on this practice for around 3 months where we mainly focused on surgical pathology.

✓ Anesthesiology

- Currently I am working on three practices and the anesthesia is also among those three and I have a fair knowledge of the practice

✓ Other Practices

- E/M for Office based Provider which is exclusively handled by me.
- Infusions therapy for Urgent care practice.
- Any other backlog or Special task assigned by the supervisor.
