About Me

Dedicated and detail-oriented Pharmacist with 1.5 year of experience in Medical Billing. I have worked in different practices as a backup Medical billing specialist as well as on Mental Health and DME as Frontend billing specialist. I have also worked on AR management of Covid 19 claims. I like to work on challenging practices and earn my value in the company through my hard work.

Professional Experience

Care Billing and Reimbursement services

2022 – Present

Key responsibilities:

- Eligibility and Benefits Verification
- Claims submission
- Denial Management
- Authorization submissions for both in-network and out-of-network services.
- Backup for Mental Health and AR management of Covid 19 billing.
- Payment posting
