**Dear Hiring Manager:**

*This letter and the enclosed resume, I would like to express my sincere interest in the position you have seeking to fill. As an accomplished Executive level recruiter with 2.5 years of proven experience in talent acquisition and candidate management within the IT sector, I possess the necessary knowledge and qualifications to enable me to contribute toward the success of your company. My expertise lies in successfully identifying, screening, and qualifying candidates for technical positions. Companies including Alphasoft Systems inc have all benefitted from my strong abilities across the full-cycle recruitment process, from sourcing to position fulfillment. Throughout my career, I have consistently demonstrated a keen ability to anticipate staffing needs and identify optimal talent to achieve or exceed goals. Explaining compensation and benefits packages to all hired candidates, including annual salaries, bonuses. Establishing solid and trusting partnerships through exceptional relationship-building skills; utilizing solid communication and interpersonal abilities to secure employee and management trust. My proven dedication to optimizing corporate success through my expert knowledge of IT candidate recruitment and human resources strategies will contribute immensely to the success of Pivotal Media.*

*For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.*

**Sincerely,**

**M SARIM MAHBOOB**
