Experiences

R&D/Project Manager

May 2008 to Feb 2012

Gillani Software SMC (Pvt-Ltd), Islamabad, Pakistan.

Major duties were Gillani's iDistribute (an ERP Solution) planning, installation, configuration, customization, troubleshooting, implementation, training and support. Other tasks including Overseas ERP implementation, Web development, OS installation, configuration, networking and troubleshooting including RHEL, Solaris, MS OS (XP, Vista, 7, Server 2003 & 2008, etc.), (VM Ware) Virtual Machines setups, RDBMS Servers & Development tools installation, configuration of IBM Informix Dynamic Database Server, IBM Informix 4GL, IBM Informix RDS, IBM Informix SQL, FourGen CASE Tools, Octo Tools, MS Office, MS Project, etc. Some websites developed, upgraded and published including www.gillani.com.pk, www.diskndata.com, www.jn-intl.com, www.globalvisioncare.us

IT Executive

Jun 2006 to Apr 2008

Pakcom Limited - Instaphone, Islamabad, Pakistan.

I was responsible for Billing and IT operations of current projects and development of new projects. Besides that I was also responsible for SMSC and VAS monitoring and operations. Participation in whole software development life cycle was mandatory, including Analysis, Design, Development, Deployment and Training in addition to leading a team of 2-4 resources at average. I had substantial experience with Microsoft technologies including ASP.NET, VB.NET, VB, Oracle and SQL Server. Other operator's calls traffic reconciliation, SMS charging, and monitoring was also part of the job.

Manager MIS/Analyst (Project based)**Dec 2005 to Jun 2006*****City Super Market, Islamabad, Pakistan.***

To setup and configure distributed database system (Navision) in main warehouse using VPN, LAN & WAN to their departmental stores, located in geographically distant locations (Satelliteton and Saddar, Rawalpindi). Proper configuration of bar code systems, POS installation, and database updation from centralized system to different locations were routine tasks. Database administration, security, backups, training, and trouble shooting, etc. were also part of the job.

Manager MIS**Jul 2002 to Nov 2005*****National Institute of Computer Sciences , Rawalpindi, Pakistan***

To manage hardware, software, resources and assist students in preparing final year projects in Visual Basic 6, VB.NET, ASP, HTML, CSS, PHP, SQL Server 2000, MS-Access 2000, Crystal Reports 7, etc.

Systems Analyst/Sr. Programmer**Nov 2001 to Jun 2002*****Ministry of Industries & Production, Expert Advisory Cell, Islamabad, Pakistan***

To design/teach courses of software packages like MS-Office 2000 Enterprise/Premier Suite, Project Monitoring/Management, and Environmental Control software to employee of Industrial & Production Sector, and conversion of current Accounting system from COBOL85 to VB6 using SQL Server 7.0/MS Access 2000, Web designing, OS and Software installation & Trouble Shooting, Networking, Technical support, etc. Official website (<http://www.moip.gov.pk/>) designed, developed, tested and published.

Analyst/Programmer/Instructor**Jul 1997 to Oct 2001*****Datanet College of Computer & Management Sciences, Rawalpindi, Pakistan***

Teaching and assisting Students of short & long term courses in VB6, SQL Server 7.0, COBOL, Web designing, HTML, DHTML, PHP, Macromedia Dreamweaver, Macromedia Fireworks, Macromedia Flash, Adobe Photoshop 7, FrontPage, Java-Script, VB-Script, ASP, Java Language, etc.

Systems Analyst**Oct 1992 to Jun 1997*****Haidri Beverages (Pvt.) Ltd. (Pepsi Cola Bottler), Islamabad, Pakistan***

A challenging job was to convert a completely manual system to an automated one using IBM development tools, training of employees, programmers and operators. Proper backup, system maintenance, network support, up-gradation of hardware, software and application programs were also major tasks.

Teacher/Instructor**Jun 1988 to Oct 1992*****Abacus College of Computer & Management Sciences, Rawalpindi, Pakistan***

Teaching Fortran, COBOL, C, MS-DOS, Word Perfect, Lotus 123, dBaseIII+, Unix/Xenix, SAD, etc. to Short Course & Diploma Classes.
