TRAINEE ENGINEER | A H AUTOMATION PVT. LTD.

Feb 2015-Jan2016

A.H. Automation for the duration of final year project and its implementation. PLC and SCADA based automation and load management System of Steel Rolling Mill.

INTERNEE ENGINEER | GETRONICS PVT. LTD.

2013

2 month internship in GETRONICS Pakistan PVT. Ltd. Where the area of focus of work were
- Network trouble-shooting
- Networking Hardware Installation
- Network Firewall Installation

EDUCATION

BS ELECTRONICS | COMSATS UNIVERSITY

2018

Final Year Project

PLC and SCADA based automation and load management System of Steel Rolling Mill.

CCNA & CCNA SECURITY | CISCO NETWORKING ACADEMY COMSATS

2012

TECHNICAL SKILLS

- Electric Circuit Designing and Analysis based on active as well as passive components ins real time as well as in simulation applications such as PROTEAS, MULTISIM and EAGLE
- Automation Designing using PLC programming and implementation based on SEIMENS, FATEK and TRILOGI.
- SCADA implementation and interfacing Control System based application and designing in MATLAB as well as Real time environment.

- Digital Signal Processing based in MATLAB as well as Real time environment.
- A good grip on electronic testing equipment including Oscilloscope, and other hardware and software based tools like PROTEAS PROFESSIONAL, PIC, Ardino microcontroller based programming in C and assembly language.
- Communication Systems and Antenna Designing based on software like ANASOFT HFSS as well as its hardware implementation

---

COMPUTER SKILLS

- Proficient in the use of Windows and Android based operating Systems and Microsoft Office
- Web development based on Adobe Dreamweaver including HTML, CSS, Java script, PHP, JSON, XML, MySQL, MongoDB, Python and Word press
- Adobe Photoshop, Adobe Aftereffect, Adobe Illustrator, Adobe Premiere
- Google based application and Office 365
- Software/Hardware handling and troubleshooting.
- Networking interfacing and designing in software as well as is hardware in CISCO based environment.
- Proficient in use of MATLAB and its application
