Re: Notice of Employment Contractual Extension

We are writing this letter to inform you that your employment contract has been extended to six more months from April 13, 2021 till October 13, 2021 due to increased workload.

Please note your position is not confirmed/ permanent with the company as HR will assess the performance including the current project status by the end of this tenure and from the results of that assessment your employment status will either get confirmed or your services will get terminated as per the employment contract.
